

Santa Marta Sambuca

Ingredient: Star Anice

Alcohol %: 40

Distillation Tank: Copper

Aging Tank: Stainless Steel

Length of Aging Before Bottling: Over 7 Months

Tasting Notes: At the nose, the strong anise is well-balanced with the elder flower. The taste is warm and fulfilling, well-balanced with an aftertaste of star anise

Fun Fact: Sambuca is a classic Italian liqueur - an iconic digestive in the Mediterranean tradition. Legend has it that the liqueur was created in Sambuca, a small village in Tuscany.

Food Pairing: Perfect with ice cream, sorbet, and tiramisu. Excellent in mixed cocktails.
