Cabernet

Altitude: asl

Appellation: Piemonte DOCG

Acidity: g/l

Alcohol %: 14

Sugar: g/l

Production: cs

Soil:

The name “8 Bucce” celebrates the uniqueness of this wine, crafted from a masterful blend of eight grape varieties. The native Piedmontese varieties, Barbera, Dolcetto, Freisa, Bonarda, and Albarossa, are elegantly combined with Merlot, Syrah, and Cabernet Sauvignon, lending depth, roundness, and structure. This wine reflects a vision where tradition and modernity merge into a timeless style, embracing a philosophy that honors native Piedmontese grapes while integrating international varieties to create unique and distinctive blends

Tasting Notes: The deep ruby red color is illuminated by brilliant violet reflections. The bouquet is full and harmonious, with delicate notes of red fruits, vanilla, and spices. On the palate, it is elegant and well balanced, with a pleasantly vinous character.

Aging: 12 months in big Slavonian oak barrels and French barriques, at the discretion of the winemakers.

Food Pairing: An excellent aperitif wine, it pairs beautifully with meat based dishes, charcuterie, barbecued meats, and light pasta dishes. Perfect as a by the glass wine.
