San Martino

Pinot Nero

Varietal: 100% Pinot Nero

Soil:

Elevation:

Appellation: Venezia DOC

Alcohol %: 13

Residual Sugar: gr / liter

Dry Extract: gr / liter

Production: 20.000 cs

ph:

Acidity: gr / liter

Tasting Notes: On our soils, it expresses itself on the nose with intense cherry notes accompanied by hints of vanilla, spice and a harmonious slightly tannic palate that gives it a full and pleasantly long taste. The wine is light ruby red in color with a slight garnet hue. On the palate it is structured, elegant and typically acidulous.

Food Pairing: It goes perfectly with game and roast duck and with mature cheeses. It also finds great satisfaction with first courses with meat sauce and charcuterie boards.
